

## Staff Contact Information

### Waukesha County Dept. of Parks & Land Use – Land Resources Division

*Note: The Land Resources Division is comprised of three major program areas, Land & Water Conservation, Recycling & Solid Waste Management, and Land Information System. While staff assignments are shown below within these three program areas, there is significant crossover in staff training and public services.*

| Name/Email<br>(Ctrl + click)   | Title                                | Program Focus  | Phone<br>(area code 262) |
